James college of education is one of the most outstanding and illustrious educational institutions in K.K.dist. It has been acclaimed as a centre of eminence by everyone in the district. True to the aims of its founder it has been striving for the well-bring of students hailing from the far flung areas of K.K.Dist and families which are socially and economically backward. It is endowed with all the facilities needed for promoting the academic standards and skill sets of students .

College History

The humble inception of James College of Education in 2005 by the James Memorial Charitable trust was the result of the perspicacious efforts of its founder Dr.James Premkumar B.Sc., M.B.B.S., M.Phil., the illustrious son of the

Philanthropic Medical Practitioner, Dr. D. James, who left permanent footmarks of humanitarian endeavors to the present generation. The college bears the name of this altruistic person. Indeed, a small beginning on that day stands materialized today as a vast teaching and research centre with four wings B.Ed., M.Ed., M.Phil (Education) and IGNOU-B.Ed. program.

The college was affiliated to Manonmanium Sundharanar University, Tirunelveli from 2005-2008. Now the college is affiliated to the Tamil Nadu Teachers Education University, Chennai, the only state University of teacher education in India. The college is recognized by the National Council for Teacher Education, Bangalore.

The college offers course leading to the degrees of Bachelor of Education, Master of Education and Master of Philosophy in Education. Further, this college is a recognized study center for B.Ed program of Indira Gandhi National Open University.

One of the most obvious things in the academic life of our graduates is the unstinted support by highly qualified and experienced group of academic staff. Our strategy for teaching and learning articulate the means by which we achieve. Our goal is to produce graduates and post graduates in education with laudable skills. All the students who passed out from this institution stand proof of this.

Candidates with Engineering Degrees like (B.E , M.E) can also join our college for Bachelor's Degree in Education.

Medium of instruction

Medium of instruction is English. But as the subjects are handled by teachers who are known for their commitment and devotion, classroom discussions are found to be highly illuminating lucid and simple

Library :

There is a beautiful library with a very good collection of books and wide range of subjects.Students are given free access to the library facilities available. They can have any page of any book in the library Xeroxed. This goes a long way in helping them to prepare their assignments, charts and all kinds of course works.

Teaching Faculty:

Our teachers are an eveready source of never failing inspiration to students. They are known for their assiduitydexterity and efficiency in preparing the students for their university examinations.Students find their classes so interesting that the college is never confronted with problems of drop-outs or failures. Most of the teachers are known for their excellent academic track record. As six of the

faculty members hold doctorate degrees in their respective subjects, students are motivated and inspired to take to research soon after completing their studies in our college. One of our students C.Ahila was a university rank holder. She was congratulated and honored by our distinguished governor in the convocation held on the 5th of Feb 2020.

Co-curricular and Extracurricular Activities

The college takes a lot of efforts in fostering the curricular and co-curricular activities needed by the students to widen the frontiers of their growth. The international conference organized every year, the seminars and symposia held with scholars of immense repute from various universities and the study tours, conducted in every academic year have contributed abundantly to the promotion of the intellectual personality of our students.

Besides these, the college is taking enormous efforts to promote the leadership qualities of the students by conducting leadership training programmes. To crown are these the college seeks to nurture the growth of social awareness by freely allowing them to participate in the multi faceted activities of the Rotary club.

Study Centre:

The college is proud of its study centres. The IGNOU study centre has been offering facilities for candidates with a diploma in education and with adequate teaching experience to join the B.Ed Degree course offered by the IGNOU. This is a wonderful privilege enjoyed by students to earn a glittering B.Ed Degree, through the distant education mode. The fees charged by IGNOU is affordable and the course material offered by them is highly standardized.

The N.S.S

The N.S.S on the campus is playing a significant role in rendering the B.Ed Degree offered by our college totally stress free. Apart from the class work students get plenty of opportunities to mix with the societies around and contribute their ideas for finding solutions for their problems, they are grappled with. The N.S.S programmes are self-financed. The NSS volunteers find ample time and opportunities to join the SWACH BHARATH programme of our prime minister. Thus they involve themselves in street cleaning and creating awareness among students and the general public about road safety measures. Besides these N.S.S volunteers periodically visit poor homes and the homes for the aged and distribute among them food packets, clothing and medicines

Horticulture Club:

K.K. dist is noted for its scenic beauty. The horticulture club of the college trains its members with the help of the locally available, horticulture officers of the state government in maintaining the campus garden and setting up kitchen gardens and flower gardens. They are also given training in setting up roof-gardens especially to produce

vegetables on roof-tops. These efforts have created an interest among them to produce whatever kinds of vegetables they need for their daily consumption in their roof top gardens themselves.

Results :

As it has been alluded to earlier cases of failures or dropouts are unheard of in the annals of James college of education. The teachers adjust their frequency to the wavelength of their respective students. The classroom discussions and notes supplied to match them are more than sufficient for preparing the students for their respective university examinations. As a result most of our students emerge as rank holders. This goes a long way in getting them, suitably placed soon after completing their courses.

Poor Student Fund:

The management has created a highly laudable poor student fund. The beneficiaries are selected from students who are economically and socially backward. This is basically a welfare programme meant to facilitate numerous students who are economically and socially backward in getting a degree in education without much financial strain and stress.

Connectivity- a magorlure :

The college is located at a place very close to the main road. Buses to almost all the places in K.K. Dist are operated through this route. So the college is quite accessible for students coming from even far off places. The climate in the campus is so salubrious and alluring that the students tend to love the college which strives to turn their dreams in to a reality.
